## NEW APPLICATIONS

The image displays a variety of Hiflofiltro filters and their applications. On the left, there are several large cylindrical air filters. In the center and right, there are smaller cylindrical oil filters. Interspersed among the filters are images of different types of motorcycles, including a cruiser, a sport bike, and a scooter, as well as a small utility vehicle (ATV). The background is a light blue and white pattern featuring the 'TUV SÜDDEUTSCHLAND AUTOMOTIVE' logo repeatedly. The words 'RELIABILITY', 'QUALITY', and 'PERFORMANCE' are written in large, semi-transparent letters across the collage.
